Upfit- 9C3 3FL 2016 Chevrolet Unmarked Police Impala Limited

The New York State Park Police highly recommend using Bush Electronics Inc. for the upfit of this vehicle. Bush Electronics Inc. will be our vendor for the final finish work that includes installation of radios, onboard computer systems, and the final wiring of our vehicles. Bush Electronics Inc. has been our vendor for over three decades and is fully qualified for both upfit and finish work. Using Bush Electronics Inc. will avoid tearing apart the vehicle twice, once by an upfitter and once by the finisher. By having one vendor complete all specified work, it will result in a better product. To contact Bush Electronics Inc. directly to receive a quote, please call Peter Bush at (315) 422-0301.
