Product Description

Liberty LED Lightbar IX Series

- FREE SHIPPING!
- FREE LED TAKEDOWNS & ALLEY LIGHTS!
- FREE 5 Year Whelen Warranty!!
- FREE Mounting Equipment!!
- FREE 2 Wire Traffic Advisor Function!!
- Extended Corners for increased lighting coverage to each side of the lightbar!!

Give us a call (866-994-3913) to Spec out your New Liberty II Lightbar with different Colors, Length, etc. than what is listed in the Options section. You tell us how you'd like yours built and we'll put it together!!

Features of Whelen LED Liberty Lightbar IX

- Newly designed all LED lightbar built from the ground up for superb reliability and performance
- Aluminum top shield stays cool, protects the lightbar from nature's elements and directs heat away from internal components
- Sealed divider(s) with LIM (Liquid Injection Molded) wiper seals assure lightbar integrity in all conditions
- UV protected lenses keep the lenses looking new year after year by minimizing environmental damage from the sun, salt, and road chemicals
- Snap-fit design snaps into brackets. Point to point wiring between the I/O board and each lighthouse creates a clean look and allows for easy reconfiguration

- 44" and 48" models have one piece UNI-DOME construction with a single sealing point. Each dome slides onto the aluminum extrusion and wraps around all internal components
- Color filters are available for single color module for complete customization
- Whelen's exclusive Collimator™ patented design captures, collects and focuses light for unbeaten light output
- Advanced Thermal Design "ATD" reduces the stress on LEDs when dwell time is extended
- Plug and Play into the CenCom Sapphire™, CanTrol® controller or vehicle manufactured controllers.
- Photocell automatically dims at night and still meets SAE Class 1 requirements in low power mode. Photocell is standard in the DUO+ and optional in the SOLO series
- Height without mounting feet is only 2.8"
- Available with Whelen's standard mounting feet or new low profile mounting feet for a stealth look
- Five year HDP® Heavy-Duty Professional warranty
- Liberty™ II, Solo™ IX Series
 - Available in Low Current (LC)
 - Single color inboard modules to front and rear
 - Four angle mounted single color corner modules
 - Straight corners provide 360° of warning light, meeting SAE Class 1
 - SOLO™ Single level, single color
 - 30% more illuminated surface area on all warning modules, including corner and inboard modules
 - Efficiently designed heat sink gives all inboard modules longer life and higher performance
 - Lower profile foot is quieter, reducing wind noise and giving the bar a stealth look
 - Low profile or standard mounting kits available for all lengths
 - Newly designed alley light module
 - Take down options available in three, six, and twelve LED modules
 - Each model has one or two sealing points assuring lightbar integrity in all weather conditions
- Liberty™ II, Solo™ IX Series Options
 - Fully populated lightbars offer contiguous light (no dead spots)
 - Rear single color or DUO+ Traffic Advisor™ available
 - Photocell available
 - Take-downs available in 3, 6 or 12 Super-LED® modules
 - Alley lights available in 3 LED vertical modules

You should receive your IX Liberty II in 2-7 Business Days for in stock options (call for specific availability)

August 24, 2015 by Anonymous (United States)

"Fleetsafety was great, their work, professionalism and quality is second to none. The only issue that we had was that we had to wait a while on equipment. The wait was due to production at the company, it had nothing to do with Fleetsafety. We are pleased with Fleetsafety and will use them in the future."

"Fleet Safety Equipment provides us excellent customer service and meets our needs quickly. I can proudly say that Fleet Safety is our one stop source for emergency equipment and installs. They have our business because, simply put, they know about law enforcement. Many members of the Fleet Safety team have a background in Law Enforcement enabling them to respond with knowledge to the needs of the North Little Rock Police Department."

Three Styles:

- Half Partition for Single Prisoners
- Half Partition w/ Roll Cage (pictured)
- Full Size Partition for Two Prisoners

[Description](#) | [Product Videos](#) | [Similar Products](#) | [Also Viewed](#)

Product Description

ProGard Interceptor SUV Pro-Cell Prisoner Transport

Product is made for 2013+ Police Interceptor SUV

Includes: 1/2 or Full Partition; Full Width Transport Seat; Floor Pan, Pair Rear Door Panels; Pair Window Barriers; Lower Extension Panel, Polycarb. Center Divider, and Cargo Barrier (Poly Window)

Item Includes

- Partition Choice:
- P1000UINT13A Single Prisoner Compartment, Procell Prisoner Transport System, 1/2 Partition
- P1500UINT13A Single Prisoner Compartment, Procell Prisoner Transport System, 1/2 Partition with full roll bar
- P1826UINT13A Dual Prisoner Compartments, Procell Prisoner Transport System, Full Partition
- ABS Seat
- Floor Pan

- Lwr Ext Panel
- 3/8 Inch Lexan Divider

Pro-Gard's patented Pro-Cell Prisoner Transport System is considered to be the best in the industry. This ultra secure transport system reduces the risk of prisoners hiding contraband or kicking out the rear windows and reduces the risk of biohazard. Considering the alternative, you cannot afford to go without it. This product offers a full cage dual prisoner transport system. This combo is ideal for male/female or adult/juvenile transporting. It allows you to bring only one car to the scene of the crime while still transporting two prisoners. With full roll bar use you still reap the benefits of our standard partition.

"Fleet Safety Equipment provides us excellent customer service and meets our needs quickly. I can proudly say that Fleet Safety is our one stop source for emergency equipment and installs. They have our business because, simply put, they know about law enforcement. Many members of the Fleet Safety team have a background in Law Enforcement enabling them to respond with knowledge to the needs of the North Little Rock Police Department."

Chief Mike Davis - North Little Rock Police Department - FBI NA #230
