Installation of emergency vehicle equipment must be completed before final delivery of the vehicle, and coordinated by the awarded automobile dealer and their up-fitter.

Installation shall be completed by an emergency vehicle up-fitter with an established reputation for emergency vehicle installation, shall be a registered NYS repair facility, and shall be a factory direct dealer for all equipment required and directly specified. The installation of all emergency aftermarket equipment shall be installed by technician[s] holding an Emergency Vehicle Technician certification in a minimum of law enforcement vehicles. Up-fitter shall provide references and contact information for similar prisoner transport vehicles delivered to law-enforcement agencies within the past two years. Up-fitter and dealer shall provide proofs of insurance coverages in a form acceptable to the Broome County Risk and Insurance department prior to vehicle ordering.

Awarded vendor shall be required to submit any and all documentation at the request of the Broome County Sheriff's Office supporting the aforementioned requirements are met. Emergency equipment up-fitter shall allow the Broome County Sheriff's Office to do site visits, and shall upon delivery of the completed vehicle offer at a minimum one [1] training day and an installation warranty which shall be at a minimum five [5] years or 100,000 miles, which ever shall come first. Upon delivery bidder shall provide no less than two [2] build booklets which contain any warranty, maintenance, color electrical schematics and build sheets for the provided aftermarket equipment related to the prisoner transport solution.

The Broome County Sheriff's Office, with regard to equipment quality, warranty and officer safety have made a conscious decision to specify the equipment listed, and as such will not accept any substitutions or alterations unless the substituted equipment is considered equal or greater. Bidder[s] choosing to take exception shall submit

documentation showing equal or greater product compliance in accordance with these specifications. Final determination of the suitability of substituted equipment shall rest solely with the Broome County Sheriff's Office.
