

Vehicle Specifications

Jacobi Medical Center Auxiliary

(1) Ford Transit Wagon XLT Passenger Van

- Exterior colors: Black, White, Green, Grey, or Silver
- Interior colors: Pewter
- Manufacturers standard seating surfaces at no additional cost, (cloth)
- Looking to upfit in order to include mobile office component.
- Please note that either with the seller or a third party, we plan to up-fit the vehicle in order to include a mobile office component while still having passenger seats available. For example, this may mean being able to fold down the last row that would turn into a table space and putting bench seating along the sides in the very back. We plan to have the vehicle wrapped with our logo.
